Alternative Regulation.	)	CERTIFICATE

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of a request filed by Corporate Calling Services, Inc. ("Corporate" or the "Company") to amend its Certificate of Public Convenience and Necessity to change its name. Corporate was granted authority to operate as a reseller of intrastate long distance telecommunications services in the State of South Carolina by Commission Order No. 98-656 issued August 27, 1998.

A review of Corporate's request reveals that Corporate has changed its name to U.S. Telecom Long Distance, Inc., and that the Company's address has been changed. A copy of the application for an amended certificate of authority by a foreign corporation to transact business in South Carolina, reflecting the new name and new address, and filed with the South Carolina Secretary of State's Office, accompanied the request. Corporate also provided a copy of the Company's amended articles of incorporation from the Nevada Secretary of State.

Pursuant to the instructions of the Commission's Executive Director, Corporate published a Notice of Filing in newspapers of general circulation in the Company's

service area. The Company filed affidavits showing that it had complied with the instructions of the Commission's Executive Director. No Protests or Petitions to Intervene were filed in this matter.

Accordingly, and upon consideration of this matter, the Commission finds and concludes that the Certificate of Public Convenience and Necessity granted to Corporate should be amended to reflect its new corporate name. The Commission therefore grants the following name change:

FROM: Corporate Calling Services, Inc.

TO: U.S. Telecom Long Distance, Inc.

The Commission's records will hereby reflect the modification of the name of the Company.

This Order shall remain in full force and effect until further Order of the Commission.

IT IS SO ORDERED.
